HOD BSH

I feel privileged to Issue-I of Volume seven of BSH News Letter. At the outset, I would like to thank 'News Letter Family' for their enduring efforts to publish departmental News Letter. The journey from the inception of News Letter to its final form in your hands has been wonderful joyful for every member of the News Letter family that has given their best to accomplish this momentous task by heralding the unlimited possibilities of creative writings and accomplishing activities conducted by the department. It has served as vent to latent creativity of every element of BS&H. If you skim through the pages of this volume, each page will beacon you a clear and distinct heartbeats of each element of BSH.

Education plays a vital role in human resource development of the country by improving the quality of life of its people. There is a huge demand for skilled and trained youngster in every field. Nowadays, India is known to the world as a 'YOUNGSTER'S' country. If we train this human resource in a proper or appropriate way then India will be in the enviable position of providing man power, even rest of the world too.

I wish you all the best!
